after the service

To the families with young children

Relax! Don't feel that you need to suppress your children.
Active and curious children are welcome at Living Waters!

A dedicated space has been allocated especially for your family,
with tables and chairs just the right size for little people.
We hope they enjoy the activity booklets provided for them.

If you have to leave the service with your child, please feel free to
do so.

Do not be concerned about disrupting the service.

We have a creche available if you or your child needs a quiet space.
A TV is streaming the service, so the parents don't miss out!

During the sermon, your primary school aged children are welcome
to join in with the activities in the Club Sunday room.

To the congregation

The presence of children is a gift to our church and a reminder
that our church is growing.

Please welcome our children and encourage their parents.

Remember: the way we welcome children directly affects the way
they respond to church, to God and to one another.

This shows that God loves them, and they are valued.
